PARTICIPANT CONSENT FORM

TITLE: A Sample Biobank for Genetic Analysis

In giving my consent I acknowledge that:

- 1. The procedures required for the project and the time involved have been explained to me, and any questions I have about the project have been answered to my satisfaction.
2. I have read the Participant Information Statement and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s.
3. I understand that I can withdraw from the study at any time, without affecting my relationship with the researcher(s) or the University of Sydney now or in the future.
4. I understand that my involvement is strictly confidential and no information about me will be used in any way that reveals my identity.
5. I understand that being in this study is completely voluntary – I am not under any obligation to consent.
6. I understand that there is no cost to me.

I, [NAME OF CUSTODIAN]

agree to permit animals normally housed at:

[ ADDRESS OF ANIMAL]
to participate in the study."

I have read and understood the information for participants on the above-named research study and I have discussed it with the study representative.

I consent to tissue samples to be retained for future or other research projects.
